# Money For Your Family!

The Earned Income Tax Credit (EITC) benefit is for working (full or part time) families making less than \$50,000 a year. Your tax refund can be up to \$5,800 per year, based on family size and income. *But to get the EITC and other tax credits for working families, you MUST FILE a 2010 Tax Return.*

If you were eligible for this benefit, but did not know it, you could claim the EITC for up to three previous years.

EITC does not count as income for TANF, Food Stamps, SSI, Medicaid or public housing. Social Security cards are required.
